Attn: Mr Richard M. Berman

Dear Mr. Berman,

I am a 92 year old man who is very interested in sport activities especially football. And, living in Massachusetts I am an excited Patriots fan.

I have been following the legal proceedings involving Tom Brady. I always felt that he was innocent of doing anything wrong and felt that the NFL management were wrong in their attack.

I am writing to tell you how much I appreciate your attitude in this matter. I am sure that I am not the only Patriot fan that feels as I do.

Keep up your true American spirit.

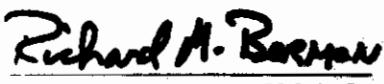

Sincerely
